Kohl's has increased their scrip rebate from 4% to 7%. Kohl's physical and eGift cards can be used at any Kohl's store or online. Kohl's however will no longer be accepting scrip for payment on credit card balances

ORDERING MCDONALD'S CARDS ONLINE

We are able to purchase McDonald's scrip at a 5% rebate. We intend to continue to offer the higher rebate cards while RaiseRight offers McDonalds at a 2% rebate. **When ordering online or using the app, please select the McDonald's BONUS REBATE cards to receive the higher rebate %.**

KWIK TRIP GROCERY ONLY CARD

KwikTrip is now offering a card that earns 10% but can only be used on grocery purchases and not gas. The card is available as a special order card and is reloadable.

The Kwik Trip Local card (5%) and the Kwik Trip Reloadable card (4%) are still available and can be used for gas and or groceries. The Kwik Trip Local card is available as Quickscrip and the Kwik Trip Reloadable card is available as a special order card.

CALL FOR VOLUNTEERS

Would you like to volunteer to sell scrip? We have many wonderful volunteers selling scrip at the weekend Masses but would like to add a few more to our list of sellers. **We are especially in need of volunteers for the 4:00 Saturday Mass.** You choose when and how often you would like to help. Training is provided. You can also sign up at the St. Bernard Parish website for weekend Masses [Mass Scrip Selling Sessions \(signupgenius.com\)](http://MassScripSellingSessions(signupgenius.com)) Contact Ann Selk, scrip@stbernardcong.org if interested or if you have questions.

SCRIP PRODUCTS AVAILABLE

Physical Gift Cards are the same gift cards you get at the store. Use them instead of cash or a credit card.

eGift cards allow you to receive your scrip instantly. Place your eGift card order on the RaiseRight mobile app or at RaiseRight.com. When you pay for your eGift cards with online payments (credit card or a linked bank account), you'll receive the eGift cards immediately. All of your eGift cards automatically appear in your Wallet on the RaiseRight mobile app and on RaiseRight.com.

Most people redeem their eGift cards from their phone using the RaiseRight app. You can also print eGift cards and present them like a physical gift card in the store or redeem them from the app. Redeem them online by entering the card number and PIN when you're checking out. Sending eGift card as a gift to someone else is easy. You will enter the email you want the scrip to be delivered to along with a message to the recipient.

Reloadable cards

Some physical gift cards are available for reload. Register an eligible gift card you purchased from RaiseRight and add funds to it when the balance is running low. When you pay with online payments (either a credit card or a linked bank account), funds will be added to your card in minutes, 24 hours a day, 7 days a week. For some brands, indicated as Overnight Reload, the funds will be added to your card overnight as long as the order is placed and paid for before 2:30 p.m. CT, Monday through Friday.

To register a card for reload, the card needs to be purchased from RaiseRight.

HOW TO PURCHASE SCRIP

The scrip program is one of the easiest and most effective fundraisers available. Has it been a while since you have purchased scrip? There have been many changes over the last several years to make the scrip program more convenient.

CONVENIENT

- Purchase quickscrip (19 vendors) and get your cards immediately at the weekend scrip table in the church narthex.
- Drop off your order with payment at the parish office and pick up after the fill days of Monday and Thursday. See the schedule for drop offs and pick-ups under the review of the order and pickup process section.

MORE CONVENIENT

- Place your order online and pick up at the weekend scrip table or in the parish office at your convenience after the fill days of Monday and Thursday. Place your order from anywhere and your order will be ready for you at pickup with no waiting.

SUPER CONVENIENT

- Use eGift cards or reloadables. Do you find it difficult to purchase and pick up physical cards? Try out eGift cards or reloadable physical cards. You can order **eGift scrip** and receive the scrip immediately in most cases. To redeem you can print out the eGift card or redeem from the RaiseRight app right on your phone.
- Some vendors do not offer eGift cards but do have **reloadable** physical cards. You can purchase a physical card from shopwithscrip and then register it in your online account. You can add \$'s to that card either online or on the RaiseRight app.

You can earn scrip credits without having to drop off or pick up the physical cards.

ULTRA CONVENIENT

- Download the **RaiseRight app** and you can order your scrip right from your phone. You still pick up physical cards in the normal way but the app also allows you to redeem eGift cards without printing out the card. You can literally in many cases order your eGift card while waiting in line to check out and have it ready when it is time to pay.
- There is also a ship to home option available on the app. See more information at the RaiseRight website FAQ <https://www.raiseright.com/resources/faq/>

HOW TO PAY FOR SCRIP

Payment Options:

Online Payments set up through your online account

1. Automatic withdrawal from your banking account (\$.29 charge per order) through the RaiseRight system
2. Credit Card payment – Visa, Mastercard and Discover are accepted. Please be aware that ***you will be charged a fee of 2.6%***.

By Check or Cash (Checks are preferred over Cash)

If using the paper form, attach a check or cash to the paper order. Remember that paper orders are only accepted at the parish office or at the weekend scrip selling sessions. If you select “Pay coordinator” when ordering online, you will need to get your payment to the parish office before your order is released. We do not recommend this option as it will delay receipt of your scrip.

FAQ'S

Do scrip cards expire?

Most scrip cards do not expire. However, scrip cards are gift cards issued by the vendor and are subject to the vendor's gift card terms. Check the back of your card for information. You can also see card details on the RaiseRight website, <https://www.raiseright.com/> click on the Shop tab at the top, choose the vendor and click on “view card terms”.

At this point, only two of our Quickscrip vendors have usage terms. KwikTrip terms state that after 12 months on nonuse, a \$2 monthly service fee will be deducted from the card balance. Woodmans' policy is after 12 consecutive months of non-usage, there is a \$2.00 fee per month per card. The card expires after 3 years.

What is the difference between KwikTrip Local and KwikTrip reloadable?

Between Shell Local and Shell National?

Local scrip receives a higher rebate – KwikTrip is 5% instead of 4% and Shell is 10% instead of 1.5%.

KwikTrip Local can be used at all KwikTrips but is not reloadable. Shell Local can be used at any Shell station in Wisconsin and the UP. For use outside of WI and UP you should special order the national Shell scrip that offers a 1.5% rebate.

When ordering Shell and KwikTrip online please select the Local option unless you wish to reload the card or use the Shell card outside of Wisconsin or the UP. The local option is printed with LOCAL in the name and no company logo.

What is the Kwik Trip Grocery Only Card?

KwikTrip is now offering a card that earns 10% but can only be used on grocery purchases and not gas. The card is available as a special order card and is reloadable.

The Kwik Trip Local card (5%) and the Kwik Trip Reloadable card (4%) are still available and can be used for gas and or groceries. The Kwik Trip Local card is available as Quickscrip and the Kwik Trip Reloadable card is available as a special order card.

Can I pay on my Kohl's credit card balance using scrip?

No. Kohl's has changed their scrip policy. Kohl's physical gift cards and eGift cards purchased after April 17, 2023 cannot be used as payment on the Kohl's Charge.

Can I order physical cards using the RaiseRight app?

Yes. You can use the RaiseRight app to purchase all scrip products. When you place your order for physical cards on the app, we receive the order in our system and fill the order on our normal fill schedule. Please note that Kwik Trip Local, Shell Local, Culvers, McDonalds BONUS REBATE and Woodmans will only show on the app when you are logged into your St. Bernard account because we purchase these scrip cards from a local source.

To sign up:

1. Send an email to scrip@stbernardcong.org and include your name
2. Indicate the email you want to use to order scrip (this automatically becomes your username).
3. Once your email is entered into our system you will receive two emails from RaiseRight with instructions for setting up your account and password.
4. Once logged in, go to “account” on the dashboard, settings and then payment option to complete your online payment registration.

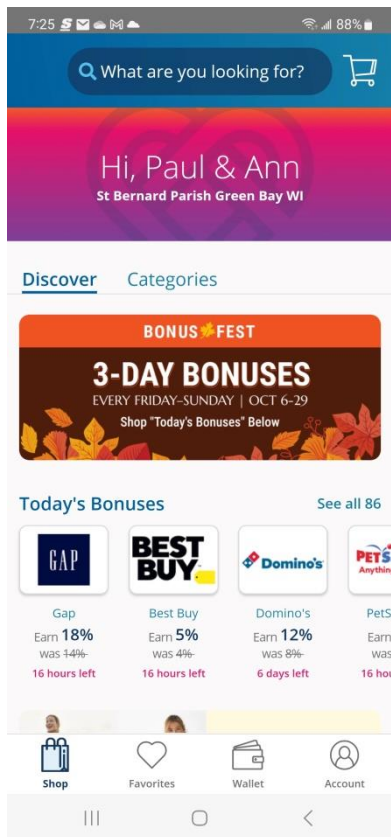

OR FOLLOW THE INSTRUCTIONS FOR DOWNLOADING THE APP ON THE FOLLOWING PAGE.

GET PERSONALIZED HELP

If you would like personalized help to set up your online account, please contact Ann Selk at scrip@stbernardcong.org. We can set up a time and place that works best for you.

RAISERIGHT APP –EASY AND CONVENIENT

If you find it difficult to buy or pick up physical cards or don't want to wait to get your scrip, the RaiseRight app is perfect for you.

Place and pay for your order right from your phone. For eGift cards, you receive the card in your wallet immediately. For physical cards, your order will be sent to the coordinator and filled on Mondays or Thursdays depending on the card and date submitted. For reloadable physical cards, you register your card in the app and then you can add to the card anytime you need to.

How to get started:

If you don't currently have an online account you can scan this QR code.

If you scan the code and are already in our scrip system you will get a message that your email is already associated with an account.

If you are already in our system, download the RaiseRight app from the App Store or Google Play. Enter your email and click on forgot username or forgot password. You will receive information via your email. If you have a problem, please contact Ann Selk, scrip coordinator or the RaiseRight customer service (800) 727-4715 option 3.

SIGN UP FOR ONLINE PAYMENT

Once you have completed the registration, link your bank account for easy online payment. Go to settings, Payment Options, Add Bank Account. Check out the FAQ for more information. You can also choose to pay for orders with a credit card but please be aware that you will be charged a 2.6% fee. Some people like the convenience of using a credit card and are willing to pay the fee when receiving rebates greater than the 2.6% or if they earn a higher rebate from using their credit card. Do not choose "Pay coordinator directly" because your order will not be released or filled until you submit payment to the parish office which will delay receipt of your scrip. Your order will be filled on the regular fill schedule and not at the time payment is submitted.

RAISERIGHT ONLINE WEBSITE

You can also get all the benefits of online ordering and payment by using the RaiseRight website, www.raiseright.com. Your username and password are the same as for the app.

HELPFUL VIDEOS ON PARISH WEBSITE

There are several very helpful videos on online ordering and the RaiseRight app. www.stbernardgb.org/scrip
In addition, RaiseRight has great support under Account – Help Center on the app or on the website under Support – FAQ's and Participant Resources.

SOME IMPORTANT INFORMATION ABOUT ORDERING KWIK TRIP, SHELL AND MCDONALD'S ONLINE OR ON THE APP

What is the difference between KwikTrip Local, KwikTrip reloadable and KwikTrip Grocery?

KwikTrip Local scrip receives a higher rebate because we purchase these cards directly from the company. KwikTrip local is 5% instead of 4%. **KwikTrip Local can be used at all KwikTrips** but is not reloadable. KwikTrip Local is Quickscrip (scrip we have in inventory) and therefore can be filled on Mondays, Thursdays or weekend sales without waiting. When ordering in the app or online, please choose Kwik Trip Local for these cards.

Reloadable Kwik Trip cards are available as a special order and can be reloaded via the RaiseRight app or online. The reloadable cards typically earn 1% lower rebate than the local cards. When ordering on the app or online, select the Kwik Trip with the logo . Reloadables are very convenient since you only need to carry one physical card and you can add dollars to your card immediately online or with your app.

Kwik Trip Grocery cards are available as special order and earn a regular 10% bonus. The grocery cards cannot be used for gas.

What is the difference between Shell Local and Shell National?

Shell Local earns a 10% rebate instead of 1.5% because we purchase these cards directly from the local Shell distributor. **Shell Local can be used at any Shell station in Wisconsin and the UP.** For use outside of WI and UP you should special order the national Shell scrip that offers a 1.5% rebate.

When ordering Shell online please select the Local option unless you wish to reload the card or use the Shell card outside of Wisconsin or the UP. The local option is printed with LOCAL in the name and no company logo.

Why are there are two McDonald's card options online?

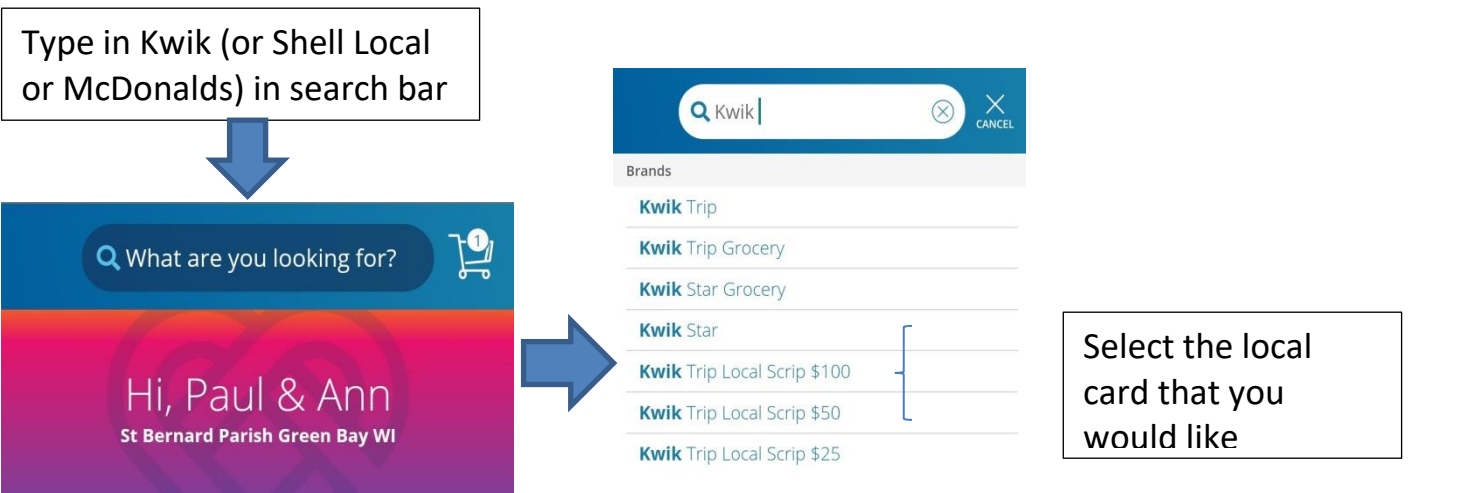

McDonald's began offering scrip on the RaiseRight website at a 2% rebate in December 2022. We have always offered McDonald's scrip at a 5% rebate because we can purchase the cards locally. We intend to continue to offer the higher rebate cards.

When ordering online, please select the McDonald's BONUS REBATE cards to receive the higher rebate %.

FINDING LOCAL CARDS ON THE APP or ONLINE– KwikTrip, Shell and McDonalds

Having trouble finding the KwikTrip Local, Shell Local and McDonalds BONUS REBATE cards when ordering on the app or online?

Type the name in the search bar, and the various options will pop up. Then select the local or BONUS REBATE options. For McDonalds, **always** select the BONUS REBATE as you receive 5% instead of 2% and the cards can be used at any McDonalds. For Kwik Trip, select the local option unless you want a reloadable card (local 5%, reloadable 4%). For Shell, select Local unless you want to use outside of WI or the UP or if you want reloadable
