

Why set up an online account?

You can manage your account through your Dashboard, which you can access by clicking the 'Dashboard' link at the top of any page. From here, you can check your account activity, change your profile and password, and read coordinator announcements. You can also run your own order and rebate history reports and view or print any eGift cards that you've previously ordered.

All eGift cards and registered reloadable cards are stored on the RaiseRight mobile app and on ShopWithScrip.com.

On ShopWithScrip.com

Go to Dashboard > Family Functions > Wallet from your dashboard to see your eGift cards and information on registered reloadable cards.

Your eGift cards are divided into three categories on the eGift card tab:

- Viewed eGift Cards: eGift cards you've ordered and viewed. If you don't use the full value at one time, click the amount listed under 'Balance' to get the balance or enter the balance.
Tip: When the card is fully used, click 'Hide' to remove the eGift card from view.
- Delivered eGift Cards: This is where you can see all the eGifts you've sent. The recipient is listed with their email address, along with your chosen delivery date and delivery confirmation.

From the Reload tab you can register a new card or manage the list of registered cards. Click a card's name to view the card's number, enter or retrieve its balance, change the name, or reload it.
