

St. Vincent de Paul Announcement

St Bernard People please be aware that StVdP was down for many weeks. While they need to start to reopen, they need your help. All of us had time to do our clean out during these weeks. We probably collected boxes that you want to donate.. but so has everyone else!! With new regulations for safety, limited staff and hours, they will be bombarded. Please **pray** for them, be as **Patient as possible** and be very appreciative and respectful to them if you go to donate. Your help is needed as the laborers are few. See location and days / hours below for the first week. Your generosity helps so many friends in need !! – Gary Winters StVdP / St B

Receiving donations at 920 Vanderbraak Street ONLY

St Vincent de Paul Green Bay will open a warehouse site to receive donations from **10 am – 6 pm on Monday, May 18; Wednesday, May 20; and Friday May 22.**

- This donation site is behind our East store location – there will be directional signs to guide you around the building.
- We have a method planned to receive items in the safest possible way for the health of our staff, **please be kind and patient.**
- There will be a specific start and stop time with the possibility that some may be turned away at the end of the day.
- As a reminder we will only accept merchandise that is in saleable condition.
- For the morale of our limited staff, we ask that you respect our process and do not leave items outside of those times or at one of our other sites.
