OVERVIEW OF THE SCRIP PROGRAM

[What is scrip video link](#)

Scrip is a fund-raising program. It's fundraising while you shop, and you won't have to sell anything. Scrip fundraising gift cards are the same gift cards you would normally purchase from a retailer in your local retail stores, and they work the same way. Scrip is also available as eScrip that you can buy and receive instantly at your email account.

Using Scrip couldn't be easier. Your family purchases gift cards for places you plan to shop, and uses those cards instead of cash or credit. St. Bernard buys those gift cards at a discount. St. Bernard sells the cards to you for full face value and you redeem the cards for full face value. The difference is a rebate that helps support St. Bernard.

QuickScrip is the scrip we keep on hand. The vendors include a variety of vendors. See the [scrip order](#) form for available quickscrip

Special Order Scrip is scrip that is not held in inventory. Special orders are placed with the Scrip provider on Monday mornings and are available for pickup after 11:00 a.m. on that Thursday. There are over 750 vendors available for ordering. A list of retailers is available on [Support \(shopwithscrip.com\)](#) under list of retailers at the bottom of the page.

HELPFUL HINTS

➤ **Ways to purchase scrip if you can't pick up cards during parish office hours**

Purchase eGift cards. Many of the shopwithscrip vendors offer an eGift card option. Place your eGift card order on the RaiseRight mobile app or at ShopWithScrip.com. When you pay for your eGift cards with online payments (credit card or a linked bank account), you'll receive the eGift cards immediately at your email address or on the RaiseRight app. All of your eGift cards automatically appear in your Wallet on the RaiseRight mobile app and on ShopWithScrip.com. You can print eGift cards and present them like a physical gift card in the store or redeem them from the app. Redeem them online by entering the card number and PIN when you're checking out. [Instant Access to eGift Cards \(shopwithscrip.com\)](http://shopwithscrip.com)

Purchase Reloadable Cards You will need to purchase the initial card from ShopWithScrip. Once you register that card in your Wallet, you will be able to reload \$'s to the card without leaving home. For most of the vendors, the cards reload immediately. Some brands are Overnight Reloads. [Reload Funds Quickly and Easily to Your Gift Cards \(shopwithscrip.com\)](http://shopwithscrip.com)

Use the ship to home option Shopwithscrip now offers a ship to home option. Not all vendors are available and there is a shipping and handling fee. The ship to home option is available only on the RaiseRight mobile app. The feedback from users is that the process is easy. Some found the delivery time to be long especially during the recent holiday season. You can expect typical mailing times to be 7-10 days unless you choose the UPS shipping option. There is a limit of 16 cards and orders over \$500 must use the more costly UPS shipping option. See [Your gift cards can be delivered to your home \(shopwithscrip.com\)](http://shopwithscrip.com) for more details.

➤ **Purchase Visa Gift Cards for Vendors that don't offer cards through ShopwithScrip**

You can use the VISA gift card in stores that don't offer their own scrip cards but accept these universal cards for payment. The gift cards have the same terms as cards that you would purchase through other vendors. You do not incur an activation fee. Activation fees are waived when the cards are purchased from the scrip program. The VISA gift cards are special order cards.

If a vendor offers their own scrip cards you want to purchase their scrip cards since you will receive a higher rebate. The VISA gift card offers a lower rebate of 1.25%.

Although I have not tried it myself, others have used the VISA gift card at Costco and Aldi.

➤ **Buy scrip for your Amazon purchases**

Amazon.com offers both physical and eGift cards with a 2.25% rebate. The rebate may seem low but as many of us know those Amazon purchases add up quickly. You can also send an eGift card to someone else's email to redeem.

If you purchase often, you can register your Amazon scrip at the Amazon site and have it automatically available to you. When logged into your Amazon account go to [your account](#), select [gift card balance](#) and then [redeem a gift card](#). Use the number on the physical gift card or the code from the eGift card.

Do not reload from the Amazon site, but instead purchase the Amazon scrip from the scrip program and then go to your Amazon account to redeem the scrip.

➤ **Watch for bonus rebates from ShopwithScrip.** If you have an online account, you will receive email notices. You can see current bonuses at [Shop - Bonus Rebates \(shopwithscrip.com\)](#). You can also check out specials at the "What's New" tab at shopwithscrip [What's New \(shopwithscrip.com\)](#) February 13-19 will be "Random Acts of Kindness Week Bonuses".

EGIFT CARDS AND RELOADABLES

E gift cards allow you to receive your scrip instantly. Place your eGift card order on the RaiseRight mobile app or at ShopWithScrip.com. When you pay for your eGift cards with online payments (credit card or a linked bank account), you'll receive the eGift cards immediately. All of your eGift cards automatically appear in your Wallet on the RaiseRight mobile app and on ShopWithScrip.com.

You can print eGift cards and present them like a physical gift card in the store or redeem them from the app. Redeem them online by entering the card number and PIN when you're checking out. You can also send an eGift card as a gift when shopping on ShopWithScrip.com. You will enter the email you want the escrip to be delivered to along with a message to the recipient.

Reloadable cards

Some physical gift cards are available for reload. Register an eligible gift card you purchased from ShopWithScrip and add funds to it when the balance is running low. When you pay with online payments (either a credit card or a linked bank account), funds will be added to your card in minutes, 24 hours a day, 7 days a week. For some brands, indicated as Overnight Reload, the funds will be added to your card overnight as long as the order is placed and paid for before 2:30 p.m. CT, Monday through Friday. To register a card for reload, the card needs to be purchased from ShopWithScrip.

To shop reloadable cards on the RaiseRight mobile app, choose a category, filter by Product Type, and select Reloadable. Add all the reloadable cards you've purchased to your Wallet for quick access on-the-go. Add money right from your Wallet, too. It's the easy way to keep earning with gift cards you already have. More vendors are becoming available as reloads.
